### **Hunter Knepsield Modular ADA-Compliant Restroom Facilities**

*LaGrange, KY* -Hunter Knepsield's modular restroom facilities are ADA-compliant and are a cost-efficient and time-saving solution to upgrading older facilities. About 50% of non-compliant facilities are completely replaced due to the increasing costs of bringing them into compliance with ADA regulations. Hunter-Knepsield's ADA-compliant, pre-manufactured facilities offer fast turnaround, simple site preparation, and ship pre-plumbed, pre-wired and ready for placement. Interiors are designed for low maintenance including wall-to-wall, floor-to-ceiling reinforced fiberglass for easy washdown. A variety of plumbing choices including composting toilets, chemical toilets and flush toilets are available to match on-site resources.
